

License Renewals

Real Estate Licenses Expire on June 30, 1977

Applications for renewal of real estate licenses have been mailed to all brokers, salesmen, and corporations of record. If you have not received your renewal application by June 1, you should contact the Board office for a duplicate form.

Each year the Licensing Board receives numerous telephone calls from licensees inquiring as to whether we have received their renewal applications and fees. However, since we are processing more than 30,000 renewals during this short period of time, please allow a period of five to six weeks for receipt of your renewal pocket card. During this period the cancelled check for your renewal fee will serve as evidence that your license has been renewed for the year 1977-78.

Incomplete and incorrectly completed renewal applications cannot be accepted; therefore, you are advised to carefully read the instructions on the renewal application and the following examples:
